Main Insurance Conditions Summary

Insurance Company:	INA Assitalia S.p.A.
Covering term:	From the moment in which the baggage is handed over to Air Italy to the moment in which it is delivered by Air Italy to the insured passenger. Insurance is valid until luggage delivery or until midnight of the thirtieth day from the moment of landing.
Covering object:	The policy insures registered luggage for all damages undergone during the transportation on board public duty aircrafts or “chartered” flights, with the exception of foreseen exclusions.
Territorial limits:	Europe
Main exclusions:	Damages or charges due to a fraudulent behaviour of the policy owner; Damages or charges due to weight or volume loss or due to insured items wear and tear; Damages or charges due to time lags; Damages due to atomic or nuclear weapons use.
Insured maximum amount:	Euro 1.000,00 per passenger

This document is a policy synthesis and it has been issued in order to inform customers about the law uses.

It doesn't foresee insurance covering limits and conditions and it doesn't modify or alter limits and conditions enclosed in the policy.

As consequence of what written above, the original policy remains the only valid document useful to prove and to determine the contractual obligation of the parts rising from the above-mentioned insurance agreement.

General transportation conditions

The general transportation conditions are available at <http://www.airitaly.com/en/beforetheflight/conditions.aspx>
